

MEET THE MENTORS

Graham Jones | Turner & Townsend

Hi there,

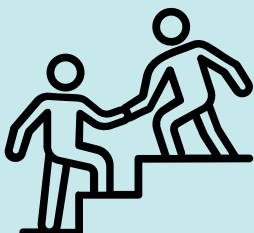

My name is Graham Jones and I am delighted to be joining the BCO Mentoring Programme as a mentor.

I'm a Chartered Surveyor by profession and, as a Director, currently lead the Commercial Office Sector within the London Commercial Developer PM team at Turner & Townsend.

Initially qualifying as a Quantity Surveyor, I subsequently qualified as a Project Management Surveyor following the completion of a Masters at The Bartlett, UCL.

I am a Fellow of RICS and currently sit on the recently constituted Construction-Professional Group Panel.

In a career spanning circa 30 years to date, I've worked across contracting, consultancy and client-side segmentation, helping to deliver in excess of 6m ft² of market leading commercial development, whilst working either for or with leading industry clients such as: British Land, Earls Court Development Company, LandSec, Lendlease Development, Stanhope and The Crown Estate.

Why join the BCO Mentoring Programme?

Having been fortunate enough to work alongside some of the industry's leading lights over the past 30 years, and benefitted from their guidance, I have volunteered with the aim of giving something back.

What can I bring?

Hopefully a balance of support, guidance, and direction drawn from across my 30 years in the industry.

How will I do this?

By listening first, talking second.
